In the Drawings:

Applicant proposes to amend Figure 4 of the drawings as shown in red on the attached paper. In addition, it is proposed to delete in Figure 12 the final line of text shown on the computer monitor, which reads "5 OK", and the indication of "5" items in the upper right hand corner, as shown in red, because only four items are being presented to the detector. Formal correction of Figures 4 and 12 is deferred until after an indication that the amendments are approved, and after the receipt of a Notice of Allowance.

Remarks

The above amendments have been made to more clearly define the application and put it in better condition for allowance.

Respectfully submitted,
